

# My New Electric Meter Does WHAT???

- Invades Your Privacy
- Harms Your Health
- Power Quality Issues

***DTE's Opt-Out  
Addresses NONE  
of these concerns!***

People are getting just as sick from the radio-off opt-out meter as from the radio-on advanced ("smart") meter. **Germany has banned "smart" meters.** Both meters are capable of collecting detailed data on your electrical usage habits. Smart meter emissions are part of what's killing bee colonies. These meters' emissions are classified as a Class 2B carcinogen by the World Health Organization.
